Fire, rescue building plans heard

Architect offers his suggestions

Village officials Monday night discussed plans for the proposed new Antioch safety building.

Mayor Michael J. Haley and village trustees hope to construct new headquarters for the fire department and rescue squad on land just north of Orchard St., a short distance west of the post office.

Tentative space allocations were outlined by F. Michael Sutter, architect.

IN WHAT SUTTER called "a guide in formulating a building program," he suggested a 10,000 square foot "vehicle storage area" for the fire department. The area would accommodate four vehicles, one service bay with a hoist and open storage space on the walls.

There also would be a hose drying and training tower, three stories high.

The plan also includes office space, a dispatch center and a fire prevention department including a conference room and workshop.

A 1,200 square foot training and meeting room is included in the plans. It would accommodate 40 persons. There also would be living quarters for 15 persons.

Total square footage for the fire department would be 19,350.

THE RESCUE SQUAD would have 5,200 square feet in the building.

This includes a storage area for four vehicles, a records office, lockers and showers, and the possibility of sharing a kitchen and meeting-training room with the fire department.

No dates have been set for the beginning of construction.

Mayor Haley appointed nine persons to a special committee which will make final decisions on the construction. They are:

Fire Chief Tod Maplethorpe, fireman Bernie Gutowski, assistant police chief Chuck Miller, rescue squad member Rod White, village clerk Marilyn Sterbenz, superintendent of public works Walter Shepard, rescue squad member David Heath and village trustees Don Amundsen and Vern (Barney) Barnstable.

Marijuana in cars, 3 are arrested

Antioch police arrested three young men last weekend and charged them with illegal possession of marijuana. The arrests were made in two separate incidents by officers on routine patrol.

Last Friday night, officer Robert Lange spotted a car parked on Highview Drive. He said it began to pull away as he approached, so he flashed his lights and stopped the car.

After checking the inside of the vehicle, Lange arrested Allan R. Payson, 18, of Trevor, Wis., with illegal possession of marijuana and unlawful possession of a firearm. The policeman reported he found a .22 caliber revolver in the glove compartment.

There also was beer in the car, police said, and two young passengers were returned to their parents.

SUNDAY MORNING, at 1:35 a.m., officer Harold Mason spotted a car with a trailer that had no tail lights. He stopped the driver at Main and Quality streets and after checking the car arrested two 17-year-old Libertyville youths.

Roger W. Whitman was charged with unlawful possession of marijuana and has an Oct. 10 court date in Waukegan.

Terry M. Varner was charged with transporting alcoholic beverages (there were open cans of beer in the car, police said, and Varner will appear in court on Nov. 4.

BEST ACTRESS - Mary Chris LaKome, who delighted audiences with her portrayal of Eliza Doolittle in PM&L Theatre's production of "My Fair Lady," receives a "Mr. Thespis" award from Josef Hunley at last Saturday's PM&L banquet. Miss LaKome also won PM&L's award for "best actress in a leading role." (More pictures on pages 8 and 9.)

Preston J. Reckers, vice-president of the State Bank of Antioch, once again is chairman of the event.

Entry blanks are now available in area schools, at the Antioch Village Hall, State Bank of Antioch, The Shoe Box and Four Squires.

The annual Bike-A-Thon event will be taking place on fourteen separate routes throughout Lake County. The seven-mile Antioch route will start at the fire station and proceed west on Orchard Street to David Street, then south to Lake Street, west to Tiffany Road, north to North

Avenue, south to Little Silver Lake Road and west to the fire station starting point.

Participants in the Bike-A-Thon may begin their ride only from the first checkpoint of the fire station starting at 9 a.m. Other checkpoints on the route are the Antioch Evangelical Free Church on Tiffany Road and the Atwood residence on Deep Lake Road, south of North Avenue.

THE TOWN CRIER

Plans to move Antioch's Moose Lodge didn't materialize when members voted on the idea last week. The majority of the voters rejected the proposal to buy the "Three Coins in the Fountain" supper club, just north of Antioch on Hy. 83. That would have become the new Moose lodge.

Also turned down in the voting was a proposal to approve selling the present lodge at 884 Main St. to the Veterans of Foreign Wars.

FOR ALL OF US who talk about Grade School District 34, but never bother to attend the meetings, here's a reminder:

Next Tuesday's meeting, Oct. 4, will be held at Oakland school beginning at 7:30 p.m.

The excellent youth bowling program over there has attracted more than 250 youngsters between the ages of 8 and 18.

Letters

Applauds school board

Dear Editor:

I'd like to heartily applaud the Antioch District 34 School Board decision to dismiss Superintendent Meyer next year. They handled a potential situation in a tactful and professional manner.

There have been letters critical to the board's action from ex-board members, defeated board candidates and teachers. They're disappointed. Their man will be leaving.

And why? Because the majority of the taxpayers of District 34 want a new superintendent.

A few days before the last school board election, Meyer's contract was renewed by a scant 4-3 majority. Obviously, 3 members felt Meyer's performance was not satisfactory.

Meyer and his supporters recruited a slate of candidates to run for the new board. These people indicated their blind support for the superintendent and his policies. Another slate of open-minded candidates, including a board member who voted against renewing Meyer's contract, ran against the Meyer supporters.

The choice was obvious. A board which endorsed Meyer and one which did not. The Meyer supporters lost.

The taxpayers voted, by more than a 2-1 majority, for

candidates who would not give blanket approval to every whim and wish of a superintendent. They chose people who would judge a man on job performance, not petty friendships and influence.

But Meyer still has one friend on the board who voted against his dismissal. Not strange though, since he also served on the board that hired him.

Meyer is leaving. Sure he had to be bought off. But it was the mandate of the majority. The board demonstrated class and professionalism in not becoming involved in a lot of mud-slinging and name-calling.

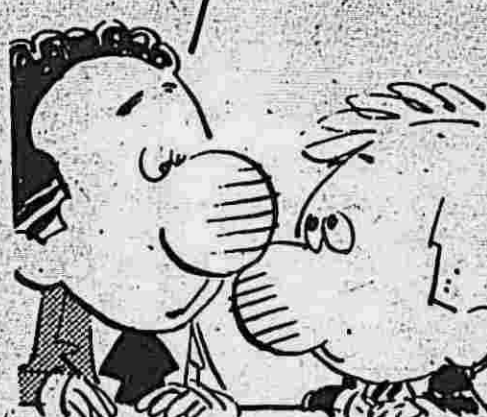

Now, parents and taxpayers, let's take the time to contact the board on the type of superintendent we feel is needed to provide a quality education for our children. Let's not make the same mistake twice.

Fred Gras went all the way for the VFW. Legion players included Otto Hanke, Art Hanke, Nick Gilio, Les Dietz and Herbert Litchfield. VFW players were Richard Burnette, A.L. Kersten, Virgil Burnette and Ed Palinski. The umpire behind the plate was Henry Pape.

Coach Robert Walther's Sequoits will carry their tomahawks and medicine men to Gurnee tomorrow for a battle with the Warren Blue Devils, a 26-20 winner over Ela Vernon last week. The Sequoits continued their winning ways by defeating Wauconda here 21-0 last Saturday. Gains made in Antioch's running attack included 29 yards by Dick Gudgeon, 48 yards by George Lystlund, and 25 yards by Bill Hart. LeRoy Gallagher caught Wauconda's quarterback in the end zone for a safety and two points.

The Antioch Fire Department water fight team took third place last Saturday among 19 teams from Lake and McHenry counties. The Antioch firemen recently built a new trophy case to hold all their awards. The men on the team are Frank Kuechenmeister, Ron Cunningham, Vernon Burdick and Bernie Gutowski.

"Sequoit Siege of '67" is the theme for Antioch High's Homecoming Oct. 7. The committees and chairmen for homecoming include Don McMahon, Glen Bocox, Janet Meyer, Denise Prather, Wendy Jensen, Jacki Pyles, Karen Sheehan, Debbie Zeason, Donna Garrison, Sally Krieger, John Prossie and Louie Nielsen.

Four pass interceptions sparked Antioch's Sequoits to a 12-0 win over Lake Zurich at the Antioch Athletic Field last Saturday. Touchdowns were scored by Karl Jenrich in the first quarter and Dave Camp in the fourth quarter. A pass intercepted by Bill Blecke on Lake Zurich's 34 set up the first touchdown. Bill Nader was the Sequoits' leading ground-gainer with 84 yards in 15 carries.

Antioch's cross-country team, conference champions last year, include Jim Maier, Chuck Denman, Bob Biaggi, Jim Olson, John Mikosh, Lynn Barthel, W.C. Effinger and Mike Polley. Adrian Mueller has coached the team to two straight wins so far this season. Effinger has been the team's top runner.

The 1967 graduating class of Antioch High School will hold its 10-year reunion on Homecoming day, Saturday, Oct. 8.

Persons wishing to join in the fun can contact Timothy H. Osmond at 395-2500 or Bonnie Litchfield at the First National Bank, 395-3111.

"The official kickoff of our reunion will begin at the Limerick Lounge at 7:30 p.m. on Friday, Oct. 7," said Mr. Osmond. "All alumni, from whatever year, are welcome."

Mr. Osmond said the class of '67 will gather for coffee in the high school commons on Oct. 8, after the morning Homecoming parade.

That night, a reunion banquet is planned at Antioch Country Club, with cocktails at 6:30.

During the game, members of the class plan to sit together in the stands ... so that's where a great deal of the cheering will come from.

A victory over Stevenson will make the Oct. 8 occasion complete.

PM&L Theatre folks had a great time at The Country House last Saturday night, celebrating their past season with a banquet.

You can't fill a room with that much talent and not get

some awfully good performances. The pictures on pages 8, 9 and 10 capture the spirit of the event, and outgoing president Aileen Biel was suitably honored with the presentation of a "Purple Heart," actually a plush, purple, heart-shaped pillow.

George Blanksten presented the "heart" with these words:

"The PM&L Purple Heart is awarded to Aileen Biel, our outgoing President:

"For her valiant struggle to preserve the spirit of CARNIVAL;

"For her unflinching courage in the battle of RED CHIEF;

"For her determined effort to hold back the clouds to permit the sun to shine on the SUNSHINE BOYS;

"For her unswerving valor in the battle of the fans;

"For her precept and example of preserving the charm of what was English in MY FAIR LADY;

"For her unerring championship of quaecumque sunt verae - whatsoever things are true;

"With the full gratitude and appreciation of her fellow members of PM&L.

MOTORCYCLIST Safety First

Motorcycle safety is no accident. The Motorcycle Safety Foundation offers these simple tips for road riding that can improve your riding while making it safe and enjoyable.

1. Even a surface that is "normal" for other vehicles has bumps, debris and loose material that are obstacles for motorcycles.

2. Keep your head up and your eyes moving so you can anticipate hazards ahead of time.

3. Take the path of least resistance and go around (rather than over) an obstacle if you can.

4. Slow down before you reach an obstacle by either applying and releasing the brakes, or down-shifting.

5. Avoid depressing the clutch or brake while going over a rough or slippery surface; this should be done before reaching the hazard.

Also, for night riding remember to wear retro-reflective clothing, fit your cycle with reflectors, and make sure head, tail and brake lights are working properly.

Deuster fights 'rampant problem of juvenile crime'

Governor James R. Thompson has signed into law three bills written by Illinois State Representative Donald E. Deuster (R-Mundelein) affecting juvenile vandalism and crime.

The governor has signed House Bills 91 and 92, which authorize Illinois counties, probation departments and courts to cooperate in setting up programs of public service for juvenile offenders.

House Bill 92 amends the Juvenile Court Act to allow the judges to require, as a condition of probation or conditional discharge, that a minor: "perform some reasonable public service work such as, but not limited to, picking up of litter in public parks and along public highways, or the maintenance of public facilities."

THE COMPANION MEASURE, House Bill 91, allows counties, if they wish, to develop and establish public service employment program to which judges can assign juvenile offenders.

The third Deuster proposal, House Bill 674, which will take effect on Oct. 1, allows the victims of juvenile crime to secure from the police, sheriff or courts, the "identity" of the juvenile offenders. Although present Illinois law makes all police and court records involving delinquent minors confidential, Deuster's new law makes an exception so that crime victims can find out which juvenile inflicted their personal injury or property damage.

Deuster commented: "We must be creative, constructive, and realistic in finding new ways to rehabilitate young offenders, and in confronting the rampant problem of juvenile crime."

Rep. Deuster and Gov. Thompson

MAKING FAMILY LIFE MORE FUN

You may find that your family could communicate

better if you all talked a little less—and listened a little more.

A quiet evening listening to music can sometimes do more for family unity than a large amount of small talk. You can all listen in on an AM/FM radio-cassette recorder that lets you record directly off the air, as well as make "live" recordings of concerts, TV shows and what may be most important—each other.

Tape your youngster's school plays or music class recitals, put on a family "radio show" or use the recorder to leave little messages. Many families find a recorded voice a lot nicer than a note. One radio recorder comes with an easy-load cassette carrying door, a sensitive built-in condenser microphone, integrated circuitry, an automatic end-of-tape shutoff, jacks for a

remote microphone or earphones and many other features. It's made by General Electric and can be powered by batteries for portable use or plugged into an electric wall outlet for home use, and it comes in a handsome silver and black case.

It could be a good way to help your family listen—and communicate more.

The Icelandic language has changed relatively little since Viking times.

Kenn Nelson made the impossible possible Thursday.

After numerous attempts, he finally beat the busy signal and got through to Wally Phillips of WGN Radio. On behalf of The Shoe Box, Kenn donated tube socks to an unfortunate European soccer player who had all his luggage stolen while in Chicago. The Shoe Box was one of many Chicago area stores that helped to make up for his loss.

Wally Phillips amazed us by immediately inquiring about the Sequoias. Seems the most popular radio personality is familiar with the Antioch area.

Kenn's secret to success in reaching Wally is to simply keep hanging up and redialing the number until you hear the ring instead of the beep.

PM&L celebrates another successful season

Once a year the approximately 200 people who are closest to PM&L Theatre, Antioch's outstanding group of entertainers, gather to give out awards - just as Hollywood presents its Oscars.

This year the top winners in the PM&L voting were "My Fair Lady," selected as the best show of "Season 16;" Bruce Berger, named best actor in a leading role, and Mary Chris LaKome, who starred in "My Fair Lady," as best actress in a leading role.

The awards dinner was held last Saturday at The Country House.

Other winners were Don Beveroth, "My

Fair Lady," best actor in a main supporting role; Mary Hodge, "Carnival," best actress in a main supporting role; Larry Bunton, "My Fair Lady," best actor in a minor role; Debbie Blanksten, "The Crucible," best actress in a minor role, and Andrew Biel, "Ransom of Red Chief," best performer 16 years of age and under.

Tom Hausman won awards for his costumes work and set designs in "My Fair Lady."

The pictures on this and the next two pages capture some of the fun and excitement of the evening.

DON BEVEROTH (right) was nominated for a PM&L award for "best actor in a leading role." He starred in the "Sunshine Boys." One of the play's funniest (and sexiest) skits was "Nursie," in which Pam Guardi performed and was nominated for the "best actress in a minor role" award. It was won by Debbie Blanksten for her part in "The Crucible." Beveroth won "best actor in a main supporting role" for his portrayal of Alfred P. Doolittle in "My Fair Lady."

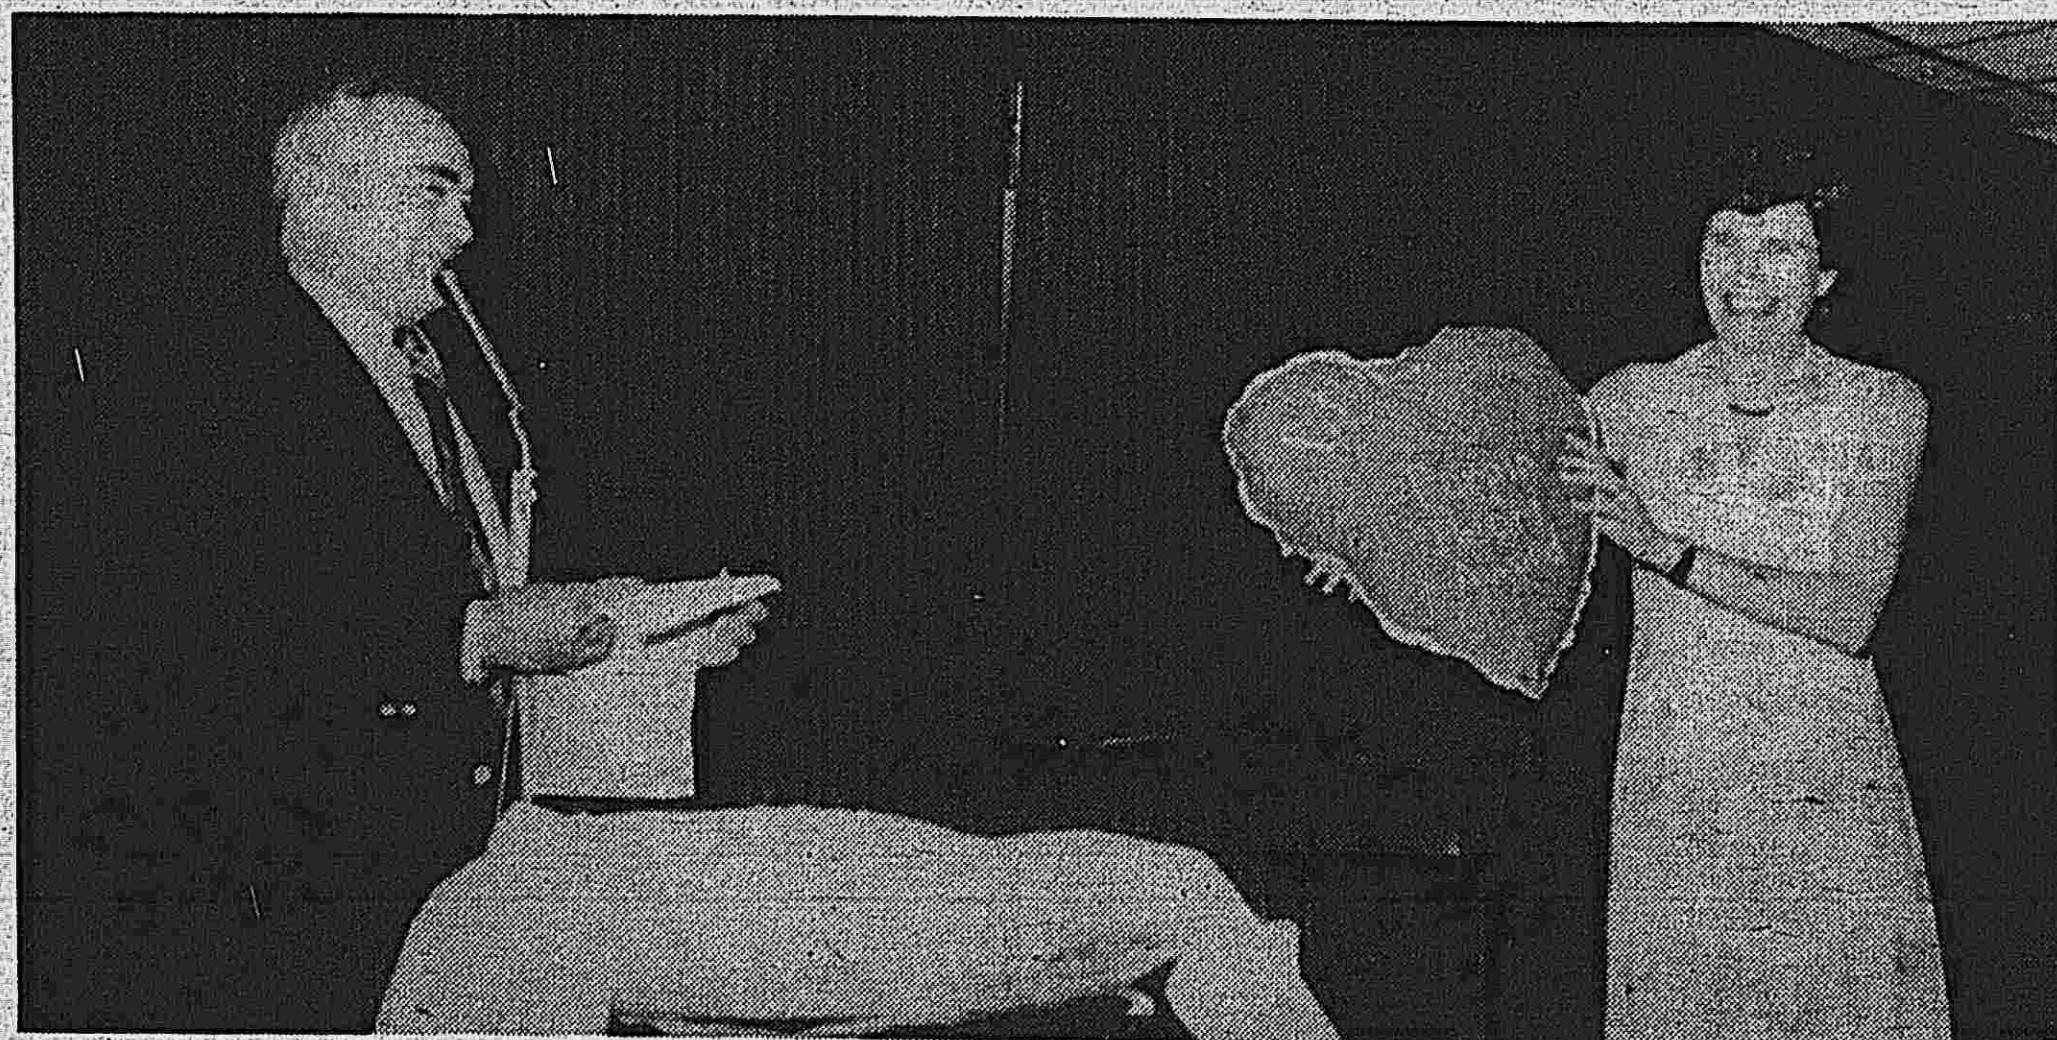

"BEST ACTOR in a leading role," one of the awards given at PM&L Theatre's banquet, went to Bruce Berger, who played John Proctor in "The Crucible." At right is Lou Jones, who gave out the awards and designed the sets for "The Crucible."

A SPECIAL award for "Production Support" was given by PM&L to Elmarie Beno.

"BEST YOUNG ACTOR" - That was Andrew Biel, for his performance in "Ransom of Red Chief." Behind him is Lou Jones, star of past PM&L shows who made the presentations.

PM&L THEATRE'S "Purple Heart Award" was given to the group's president, Aileen Biel, (right) by George Blanksten during last Saturday night's

dinner at The Country House. (Be sure to see Annie Mae's column in today's Antioch News for the significance of the award.)

Theatre group when they held their annual awards banquet at The Country House restaurant.

'See How They Run' opens soon

"See How They Run," a breathless show, fast tempo, and plenty of laughs, will open Season 17 at the PM&L Theatre, 877 Main St., Antioch, on Oct. 8, 14, 15, 21 and 22. Curtain time is 8:30 each evening.

"Variety" printed the above quote about "See How They Run," and critic Bernard W. Suss said, "It was a positive riot, in all my years in the theatre, I've never heard such laughter. The audience didn't just laugh,

they screamed and howled."

Director Pam Hunley says the show is hilarious, has a great cast, and the cast is working very hard.

"Timing" in a farce is very essential—especially when much of it runs the gamut of mistaken identities, several struggles, and chase scenes.

THE PLOT involves Penelope Toupe (Pam Guardi) an American actress who is having

great difficulties being a proper vicar's wife; The Rev. Lionel Toupe (Steve Woolaway) an earnest, sincere vicar who has great difficulties with his actress wife and his parishioner Miss Skillon (Aileen Biel); and an American actor, Corporal Clive Winton (Bill Ser-shon) who is stationed in England and used to act with Penelope.

Nancy Balmes plays the cockney maid, Ida. Men of the cloth are Frank Greenwood as the Bishop of Lax and Charlie Brown as the Rev. Arthur Humphrey. Frank DiMarco is Sgt. Towers and Kevin Little is an escaped prisoner.

THIS IS the last week to purchase season tickets for \$11 for the five shows. After Sept. 30 the price is \$13. Send a check to PM&L, Box 23, Antioch

and your tickets will be mailed to you.

Reservations for all plays can be made by calling 395-3055. Reservations must be picked up at the box office by 8:15 the night of the show.

Tony Besson wins football contest

The always-faithful predicted Antioch High's football team would beat Warren's Blue Devils last Saturday. And a lot of folks entering the Antioch News' weekly contest went along with the so-called "experts" and picked Warren by two touchdowns or more.

Four fans, in particular, had the game pegged. Antioch lost by eight points, 14-6.

COMING CLOSEST were 11-year-old Tony Besson of 419 Harden St. and Diane Mullin of 874 Main St. They forecast a seven-point victory for Warren.

Tony, however, came closest in the tie-breaker. He accurately predicted that St. Louis would beat the Chicago Bears by three points, so he wins first prize: a

AQUARIUS [January 21-February 19] - Use your analytical know-how to solve problems; keener insight is also needed in making new decisions. Look at new prospects intently.

PISCES [February 20-March 20] - Try to agree with colleagues on important issues; by complicating matters valuable time is wasted. New methods may be more effective, be willing to try suggestions of others.

HOUSEPLANT PROBLEMS

Q: The leaves on my crown of thorn plant keep dropping off. Why?

A: For most plants, other than the real drinkers, the best watering schedule is water thoroughly, then allow to dry out. For the euphorbia, or crown of thorns, this is essential. When no drying out period is allowed between waterings, leaves drop regularly.

THE VILLAGE of Antioch's girls softball program was saluted last week when champions received their awards. Above is the Eckert Construction team which won the title for girls 11 through 13 years of age. Kneeling in front: Lesley Gallagher and Robin Wertz. Standing in first row: Theresa Weber, Joanie Cilik, Roberta Maglio, Sharon Pawlowski and Debbie Perry. Standing in second row: Coach Joan Cilik, Ann Bodin, Becky Schletty, Karen Hassett, Cheryl Anderson, Lisa Davis, Sue Haley (accepting the trophy for Eckert Construction) and Manger Sis Gallagher.

THE CHAMPIONS in girls softball, 13 to 15 years of age, represented the First National Bank. First row from left: Diane Karczewski, Dawn Flaschner, Brenda Harris, Karen Pape, Chris Byrne and Laura Ogden. Second row: Donna Hall, Kelly Hassett, Kathy Ogden, Jennifer Biel, Coach Jeri Wagner and Bonnie Litchfield, representing the bank. The league's players and their parents devoured pizzas donated by Joe and Carole Badame of Weasel's restaurant.

Golf league played seriously (at times)

The only "unheralded, unknown and unsponsored" women's golf league in Antioch completed its second successful season at Antioch Country Club with an "Awards Nite Banquet" on Sept. 20 at Andre's Steak House in Richmond.

In good fun and some serious golf, the Tuesday night golfers league finished the season with a variety of scores in A and B divisions.

Top golfers in flight A received trophies as follows: Chris Collidge, first place; Phyllis Kapischke, second; Carol Bushing, third.

Flight B awards went to Shirley Gutowski, first place; Dolores Pierce, second; Maryanne Kaht, third.

LEAGUE MEMBERS in Flight A also included Jan Burdick, Dixie Redding, Jean Rockow, Carolyn Blanchette and Phyllis Lindquist.

Flight B members were Louise Johnson, Joanne Kelley, Louise Radke, Laura Wilson and Debbie DiGiovanni.

Nanci Eberman, Dianne Periman, Marge Murphy and Florence Babusek participated as league substitutes.

Chris Coolidge finished with lowest league average of 47.

THE AWARDS DINNER included the presentation of humorous awards personalized for each member of the league by the banquet committee, Dolores Pierce, Dixie Redding and Carol Bushing.

League appointees for the 1978 season are: Phyllis Kapischke, league chairman; Maryanne Kaht, co-chairman; Louise Radke, treasurer; Dolores Pierce, publicity; Jean Rockow, handicaps; Dixie Redding, rules and regulations; Carol Bushing, "Fun Nite" chairman and Shirley Gutowski, awards banquet chairman.

The golfers celebrated their annual "Fun Nite" at Spring Valley Country Club by playing the course in costumes.

"Imaginations that ran wild with costume ideas made it nearly impossible to play for more than a token score," Dolores Pierce reported.

League members voted to change their weekly golf night to Monday and will be, henceforth, known as the "Monday Nite Golfers League" at Spring Valley for the 1978 season.

KENN ROSENBROCK (23), Antioch's senior running back, is tripped up by

Warren tacklers in last Saturday's 14-6 loss here.

Soph gridders are 3-0 now

Antioch's improving sophomore football team won its third game of the season, a convincing 16-0 victory over the Warren Blue Devils last Saturday.

The win left the Sequoits tied with Stevenson for the conference North Division lead.

The Sequoits will play host to the Stevenson Patriots for Homecoming on Saturday, Oct. 8, in a game that should determine the division championship.

Next Saturday, however, Antioch will travel to inter-division rival Cary Grove for a 12 noon game.

FOR THE THIRD GAME in a row, it was a balanced attack that enabled Antioch to tame the always-tough Blue Devils. The Sequoits gained 104 yards through the air, with quarterback Jim Sertic completing 4 of 6 pass attempts.

The Antioch rushing game totaled 167 yards against a stubborn Warren defensive unit. Dan Behne, behind the blocking of Brian Beal, Ron Nauman, John Eckert, Ken Nieze and Jim Davis, opened scoring with a 52-yard run to put the Sequoits on the board in the first period.

The next series saw Antioch and Warren both unable to move the football. With the wind at their back, the Blue Devils punted into the Antioch end-zone, and the Sequoits took possession for what proved to be a 15 play, 80-yard touchdown drive.

Mike Fox and Denis Flaschner carried the heavy

running workload, along with a 29-yard pass reception by end Behne.

Fox ran the final yard for the score and the PAT kick was good. Chuck Bogaerts (center), Dan Verkeyn (holder) and Behne (kicker) have now teamed up for three PAT kicks and one field goal.

The field goal ended the Sequoit scoring, and was kicked a total distance of 31 yards.

DEFENSIVELY, THE ANTIOCH team recorded its second shutout of the year. The Sequoits held Warren to 126 yards rushing and zero yards passing to complete another strong defensive effort.

Cited by coaches as turning in positive defensive performances were Tim Ernstmeyer, Scott Buxton, Beal, Scott Peterson, Jeff Crichton, Webb, Tim Plett, Bogaerts, Bruce Mitchell and Jim Davis, along with the remainder of the defensive unit.

The highest city in the world is Lhasa, Tibet.

VIKING SCOREBOARD

Lightweights win 44-0

In their third game of the season, the Antioch Lightweights rolled over St. Mary's of Woodstock 44-0.

"Outstanding offensive plays were made by Tom Haviland, Andy Lehn, Pete Kessler, Rick Ranney, Derek Olson, Phil Aschbacher, Dave Walsh, Joe Emmerick and Bob Thain," coaches said.

After an offensive drive, Thain ran the ball 10 yards for the first Viking touchdown.

Defensively, Matt Stevens, Greg Pahlke, John Humphreys and Kris Vogt were singled out by coaches.

Pahlke intercepted a pass at midfield and ran it back to St. Mary's 20. Haviland handed off to Thain, who ran it in for his second touchdown.

Lehn ran the ball over for the extra point, making the score 13-0.

Vogt made a tackle on fourth down, enabling the Vikings to regain the ball. With a minute to go in the first half, Lehn passed to Emmerick, who scored on a 40 yard run, making the score 19-0.

Stevens not only did the job of kicking all day, but also ran downfield four times to make tackles.

Humphreys had an important fumble recovery, enabling Thain to run the ball 30 yards for the fourth touchdown. Olson carried for the extra point and a 26-0 lead.

IN THE SECOND HALF, Humphreys blocked a kick and recovered the loose ball on Woodstock's 20. Aschbacher carried the ball in for another score.

Thain intercepted a pass on the 40 and ran it back to St. Mary's 19. From the 19, Rick Ranney passed to Emmerick for another score, making it 38-0.

With two minutes left, Pete Kessler ran from the 23 for the final score of the day.

For lack of personnel, the St. Mary's Heavyweights forfeited their game to the Antioch Viking Heavyweights.

Punt, Pass & Kick registration underway

Registration for the 1977 Punt, Pass & Kick competition is underway in the showroom of Lyons-Ryan Ford of Antioch.

In making the announcement, Pat Ryan said: "We're looking forward to a big local PP&K competition at the high school field at 2:30 p.m. on Sunday, Oct. 9. We hope all the youngsters 8 through 13 years of age in this area will come in to register and take part."

Ryan pointed out that PP&K - throughout its six levels of competition - is free of any charge, and that youngsters need only have a parent or guardian accompany them to

Cross-country teams continue to improve

By JENNIFER BIEL

Antioch High School's cross-country team has improved in every meet this season and the boys aren't the only ones improving.

Two meets took place last week. Thursday's was at Crystal Lake where the girls showed off their talent by beating Cary Grove 23-34 (lowest score wins).

Coming in first was Carrie Corso with a time of 12:22. Second place went to Cindy Irmen, 3rd to Diane Otten and 5th to freshman Nancy Harland. Other girls running were Beth Pilkington, Donna Lovelace and Tracy Curtis.

THE BOYS' VARSITY lost to Cary Grove, but individual places went to Jim Eller, 2nd; Jim Gamber, 6th; Zane Rogers, 12th; and Roger Plechaty, 15th. Running close behind were Matt Firestone, Tom Nedved, Bob Silvola, Chuck Rogers, Edison Sankey and Dan Reband.

The frosh-soph team also lost but many of Antioch's runners improved their positions - for instance Dave Mohar placed 8th, Jon Gibson 10th, Mike Wilms 13th, Dave Waters 14th and Darryl Sankey 16th.

THE MEET ON SATURDAY was Warren's Invitational. It was a triumphant day for the girls' team which came in 1st out of 9 entrants. Contributing to the girls' success were Carrie Corso, 4th place; Cindy Irmen, 7th; Diane Otten, 10th, and Nancy Harland, 16th. A total of 51 girls competed in the race.

Jim Eller made an excellent run in the varsity race, finishing 9th. Zane Rogers was 46th, Jim Collis 59th, Edison Sankey 62nd, Tom Nedved 71st and Chuck Rogers 85th. The Antioch team was 9th in a field of 19.

CHUCK PAULSON, A FORMER runner from Antioch who now attends Warren, finished in 3rd place.

Antioch's frosh-soph team came in 7th place, with Matt Firestone 10th individually.

Freshman Bob Otten finished 23rd, Jim Gamber 28th and Jon Gibson 68th.

Antioch's own invitational meet will be held the morning of Homecoming, Oct. 8, at Fox River Park. There is no charge for the event.

Punt, Pass and Kick

Continued from page 14
the showroom to register.

"OUR COMPETITION HERE will have 1st, 2nd and 3rd place trophies for contestants in each of the six age groups, or 18 trophies in all," said Ryan.

"Increasing each entrant's chances of winning is the fact that youngsters compete only against others in their own age group," said the Ford dealer.

There is no body contact in PP&K. It's punting, passing and place-kicking for distance and accuracy. First place winners in each age group here will go on to the zone competition. And from there, top winners go up the ladder through district, area, division and national finals.

THIS SEASON THE NATIONAL finals will be held at the Super Bowl in New Orleans on Jan. 15.

Each entrant, upon registering, receives a free PP&K "Tips Book." In the 1977 edition there are competition tips by NFL stars Marv Bateman, Ken Stabler and Toni Linhart. The book also includes complete PP&K rules and conditioning exercises for contestants.

This is the 17th year of PP&K. From its inception the activity has been sponsored by the Ford dealers of America in cooperation with the National Football League. More than 14 million youngsters have taken part in PP&K.

IN THREE SHORT YEARS, the Antioch High School girls pom-pom squad has become one of the highlights of halftime shows at football and basketball games. The

classy group includes (from left) Betty Sorenson, Kitten Vaughan and Donna Warner.

Fastpitch team trims old foe

Antioch's Upper Grade School fastpitch team upset long-time rival Gavin Grade School 9-5.

The Apaches were led by the pitching of Mike Pinkham and the fielding of Bob Gatti, Mark Harrel, Gordy Nasenbeny, Mark DeMerritt, Tom Bailey and Brad Herbst, coaches said.

Brad also led the offense, going 4-4 and driving home three runs.

There will be a practice game against Round Lake Wednesday (today) at 4 p.m.

"The public is invited to enjoy our new bleachers and the outstanding play of the Apache team," coaches said.

Sequoits frighten Warren, face Cary

A 17-point underdog (according to the "experts"), Antioch High's football team almost upset Warren's Blue Devils here last Saturday.

The performance by Coach Roy Nelson's Sequoits left the home fans feeling much better about the chances of their team for the rest of the season.

Better yet, it gave the players the confidence that they can out-perform any team in their league.

THEY GET A CHANCE for their first victory Saturday when they play at Cary-Grove at 2 p.m. The sophomores open the show at 12 noon.

Cary's Trojans have 1-2 record after beating Wauconda 7-0 last Saturday. Antioch has a 0-3 record, but last Saturday's 14-6 loss to Warren was by far the best showing they have made this season.

"We were lucky to get out of Antioch with our lives," said Warren's coach, Mike Kunkle. "Those Sequoits really punished us. I knew Antioch was a better team than its record and, luckily, our defense stopped their ground attack or we might have lost."

Although Antioch's ball-carriers were held to 33 yards in 28 rushes, junior quarterback Rob Nauman gained 120 yards through the air by completing eight of his 18 passes.

Twice, the 6-foot-1, 173-pound junior passed his team close to Warren's goal line in the fourth quarter. But in both cases the drives failed to develop into touchdowns.

YET, ANTIOCH PUSHED Warren all over the field in the second half ... after Warren had dominated the first half by running off 41 plays compared to only 16 for Antioch.

Scott Schroeder caught three of Nauman's passes for a total of 58 yards. Nauman was replacing Brian Andrews, the team's No. 1 quarterback who has had his senior season curtailed by a shoulder separation.

Saturday's win was Warren's third without a defeat. Although it was Antioch's third straight loss, the Sequoits proved to themselves that they can play as well or better than any club in the conference.

WARREN, KNOWN FOR ITS strong offense in its first two games of the season, came up against a strong defensive effort by Antioch. Warren was able to move the

ball well, but when the Blue Devils got down close to the goal line, Antioch held.

The first score by Warren was with two minutes remaining in the first half, Tom Schnur scoring from 15 yards out. The conversion was good and at half the score

was Warren 8, Antioch 0.

THE SECOND HALF was dominated by Antioch. After the kickoff, Warren fullback Mark Fugett fumbled on the Warren 16 yard line. Three plays later a touchdown pass from junior Rob Nauman to junior Gene Lehn for 12 yards put Antioch on the scoreboard. The conversion try failed and Antioch trailed 8-6.

Through the third quarter the teams exchanged the ball several times. With seven seconds left in the third quarter Warren scored with Fugett running in from the 15 yard line.

ANTIOCH MARCHED DOWN the field twice in the fourth quarter on passes to Scott Schweder for 20 yards, Tim Huebner for 15 yards, Jeff Mulder for 12 yards and Schweder again for 18 yards.

"A brilliant defensive effort was turned in by Darren Houghton who knocked down two passes," Antioch coaches said.

The last drive brought the fans to their feet, with the clock running out and no time-outs left, Antioch was down to the Warren 15 yard line when the gun sounded to end the game.

Earlier in the fourth quarter Antioch had reached Warren's 8 yard line only to be stopped on four straight plays. The 12 yard pass from Nauman to Mulder had moved the ball to the 8.

DEFEATED ON THE SCOREBOARD, but winners of a moral victory, Antioch High's varsity football team left the field with new confidence after last Saturday's 14-6 loss to

Warren here. From left: Greg Shanks, Rob Nauman, Larry Wienkers and Kevin Gallagher.

COMPLETE SERVICE FOR YOU AND YOUR FAMILY

Forethought

"The truth shall make you free". But how do you get the truth to people?

We have continually urged people of our community to visit us at their convenience, ask any questions they want and get the facts about a service they inevitably will need, sooner or later. Few do so and myths persist - hurting us and costing them unneeded expense at a crucial moment when they may need to husband their resources. Remember, almost anything you do without knowledge and forethought usually ends with that melancholy phrase, "if only I'd known".
